

# Holiday budgeting worksheet

As the holidays approach, financial stress can distract from your celebrations. Before the season begins, outline a spending plan using the worksheet below. Include any categories outside of your normal budget, like travel, gifts, decorations, dining and more. Continue tracking throughout the coming weeks and reallocate funds as needed so you can stay on top of your finances this holiday season.

Item	Budget	Actual Spent	Difference
Ex: Thanksgiving Dinner	\$350	\$200	\$150
TOTALS:
